DETAILED ACTION

Allowable Subject Matter

Claims 4-13, 17-26, 28-30, 32-39 and 44-60 are allowed.

Examiner's Reason for Allowance

The following is an examiner's statement of reasons for allowance:

The most relevant reference, the *Togher* reference, teaches an anonymous trading system and method between counterparties with each counterparty having applicable trading limit. If either of the two applicable limits has not already been exceeded between a particular pair of counterparties, the system displays the entire bid or offer as a "Dealable" transaction, ***but permits each client site to block any above-limit portion of any resultant buy or sell transaction during a subsequent deal execution/verification process.*** Alternatively, at the option of the party by or for whom the low limit has been set, the entire transaction could be executed, or the entire transaction could be blocked (col. 3, lines 1-20).

Togher reference fails to teach a method in which the counterparties are presented with a plurality of options on how the respective trader wants a trading system to process pending trades that cause warning limits to be exceeded. That is, the *Togher* reference does not teach ***an interface comprising a plurality of options on a how the respective trader wants a trading system to process pending trades that exceed cause warning limits to be exceeded.***

Upon further consideration of the arguments raised by Applicant in the Pre-Appeal Brief request on 3/20/82008, Examiner finds Applicant's argument to be persuasive and the Togher reference does not read on the claimed invention.

Updated searches revealed no references that disclosed the claimed invention, nor were any secondary references identified which could be reasonable combined with *Togher*.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Olabode Akintola whose telephone number is 571-272-3629. The examiner can normally be reached on M-F 8:30AM -5:00PM.
